CALL FOR ABSTRACTS

PRESENTER'S GUIDELINES

We welcome you to contribute to presentations focused on our conference theme “Diagnostic and Therapeutic Radiography Now and Next: Bridging Practice and Progress” and our objective “To bridge current clinical realities with emerging innovations by fostering a culture of lifelong learning, interdisciplinary collaboration, and proactive leadership in radiographic practice.”

Guidelines for Presentation:

1. Presentations will be no longer than twenty (20) minutes. Brief questions would be entertained following presentations.
2. Submit abstract before Sunday 12th October 2025 via our [google form](#) or email (soradtt@yahoo.com) using the following headings:
 - a. Full Name
 - b. Abstract (300-800 words); should include applicable headings such as:
 - i. Title of Presentation
 - ii. Authors
 - iii. Introduction
 - iv. Methods
 - v. Results
 - vi. Conclusion
 - c. Photo
 - d. Brief Biography which includes:
 - i. Qualifications
 - ii. Job Title
 - iii. Place of work

We look forward to seeing you!
